I am pleased to announce the promotion of Davis Mochizuki to the position of Regional Director – Seattle/Portland Divisions effective immediately.

Davis started with Safeway in 1979 as a courtesy clerk in the Von's Division and by 1991 was promoted to Produce Manager. Davis was then promoted to Produce Merchandiser in 2004 and by 2006 was promoted to Regional Manager here at the Corporate office.

Since 2006 Davis has held the positions of Regional Manager and Category Manager in the Corporate Produce Department. He brings a wealth of knowledge to the position of Regional Director.

Please join me in congratulating Davis on his well deserved promotion.
