Subject: **Announcement of Scott Bradley**

I am very pleased to announce that Scott Bradley will be returning to the Corporate Produce team in Pleasanton as Group Director, Perishables Merchandising. In this role, Scott will be responsible for leading our team of six Regional Directors and meeting the Produce financial targets for all US divisions.

Scott began his career with Safeway in 1980 as a Produce Clerk in the Portland Division. He was quickly appointed to the Produce Manager role and worked in several high and low volume stores in Portland before joining the buying team in the division office. In 2000 Scott relocated, the first of three times, to the Seattle Division where he was a Produce Category Manager and then Sales Manager. During the centralization process in 2002, Scott and his family moved to Pleasanton where he took on the role of Regional Director supporting Eastern, Genuardi's, Denver, Phoenix, Dominick's, Seattle, and Portland over a five year period. In 2008, Scott went to Phoenix to lead our Produce Procurement team and has been an outstanding leader in this important role. He has built a strong team that excels at buying the highest quality produce at the best price and supporting our retail stores with exceptional product supply.

Scott will be officially starting his new role today!

Please join me in welcoming Scott and his wife Suzy back to the Bay Area.
