<b>SUBJECT: PROMOTION ANNOUNCEMENT OF STEVE TSUJIMOTO</b>			

I am very pleased to announce the promotion of Steve Tsujimoto to Group Director Corporate Produce reporting to me.

Steve began his career with Safeway in the Northern California Division in 1978 as a Courtesy Clerk and then was promoted to Produce Manager in 1987.

Steve became the first Manager of Division Operations (MDO) for Produce in Nor-Cal in 2002. In 2005, Steve was promoted to the Director of Marketing Support for Nor-Cal.

In 2009 Steve came back to the Produce Department as the Director of Category Management residing in this role for two years. In 2011 Steve was moved to a Regional Director representing the Phoenix and Texas Divisions.

In 2012 Steve moved to Director of Corporate Initiatives reporting directly to Bruce Everett.

Steve's Leadership, drive for results and experience derived from his many roles in the organization will present a winning combination with the Produce Team in his new role as Group Director.

Please join me in congratulating Steve and in wishing him continued success!
