Subject: Announcement of Lori Dupre

I am very pleased to announce that Lori Dupre will be joining Deli Food Service team as a Regional Director, effective November 28, 2011. She will report directly to Bob Heally. Lori's experience with retail, category management & regional support make her a perfect fit to our Deli team.

Lori started in 1997 in the Texas division as a Floral designer. She moved on to become a Floral Manager in several stores before becoming a Floral Category Manager in the Division. Her next move was in the role of Texas Floral MDO. She then moved to the Pleasanton Corporate Office in 2004 as Regional Director where she supported different divisions for over 5 years. Lori's recent assignment has been the Floral Category Director.

Please join me in welcoming Lori to Deli Food Service.
